Press Communiqué

REGISTRATION OF PRIVATE POSTSECONDARY INSTITUTIONS & ACCREDITATION OF PROGRAMMES

The Tertiary Education Commission (TEC) by virtue of its Act has as one of its objects to **register and accredit private universities and other institutions offering postsecondary education in Mauritius.**

The public is hereby advised of the following:

- a) All institutions wishing to operate as private postsecondary education institutions in Mauritius are required to register with the TEC and accredit their programmes to be offered prior to the start of operation.
- b) Prior to seeking enrolment, students must verify that the private postsecondary education institution is duly registered and its programmes are accredited with the TEC.
- c) To consult the website for a list of private postsecondary education institutions and programmes accredited.
