

TERTIARY EDUCATION COMMISSION

Press Communiqué

Following several press articles concerning the Public Notice issued by the University Grants Commission (UGC) of India in regard to Indian Universities operating off-campuses/ Study Centres/courses & Territorial Jurisdiction of Universities, the Tertiary Education Commission (TEC) hereby brings to the attention of the public the following information:

1. The registration of private post-secondary institutions in Mauritius is governed by the Regulatory Framework of the Tertiary Education Commission since 2005;
2. All post-secondary institutions operating in Mauritius have satisfied the requirements of the Regulatory Framework in relation to :
 - a. The setting-up of private post-secondary educational institutions
 - b. Registration of private post-secondary educational institutions
 - c. Accreditation of the programmes to be offered by the private post-secondary educational institutions
3. The detailed guidelines and regulation can be accessed on the TEC website, <http://www.tec.mu>
4. TEC has set down specific procedures for determining the recognition of qualifications of the awarding bodies.
